WELCOME!!

Welcome to the first issue of our new quarterly newsletter! This newsletter will now be publicized 4 times a year to make sure all of our players, families, supporters and volunteers know of all our events.

We hope to keep everyone up to date with all of our events quarterly, sports games and fundraisers.

For anyone who is not sure how our organization started, here is a little bit of our history for you. Our league started in 2002 with eight players and a summer baseball game. Now we have upwards of 80 players for each of our baseball games!

In 2006 Sunshine Bowling League joined with Challenger Sports, and our bowling league has about 90 players each season. Not only do we bowl in Lockport on Wednesdays, but in 2009 we started a league in Medina on Tuesdays.

In 2007 we added a fall golf day in Newfane. In the recent years we have also added volleyball and basketball in the early spring, as well as a swim night in 2011 in the late spring. In 2010 we also started playing a few soccer games with local high school JV and Varsity Soccer Boys and Girls Teams.

Our league is open to any player who has a physical or mental condition that limits their participation in traditional competitive sports leagues. We strived to make it possible for all of our players to participate and enjoy every sport we play.

In addition to all of the sports we offer throughout the year we also have various dances, banquets, and parties for our players and their families to enjoy!
